

Items Accepted – Spring/Summer Sales

Important: PLEASE BRING YOUR BEST ITEMS TO SELL. All items must be in excellent condition, clean, and current style (clothing purchased NEW within the last 4 yrs). Carefully inspect clothing for stains IN NATURAL LIGHT. Toys and baby equipment requiring batteries must have working batteries (buy Dollar Store Sunbeam brand – 8 AAA's for \$1) and no missing pieces. Items are inspected at check in and are subject to removal from the sale at our discretion. Items that are dirty, show excessive wear, are out-dated or stained will be sent home with consignor. Please keep in mind that we take pride in selling only gently used, clean, working and current style children's items. **We are NOT a garage sale and must be picky about what is accepted to maintain our reputation of providing quality items at affordable prices. Your time is also valuable to us. If you have questions, please contact us for clarification PRIOR to getting started or any time during the process.**

Children's Clothing & Accessories (sizes newborn-children's 16 only) SPRING/SUMMER season appropriate clothing, and accessories only (with the exception of jeans/long sleeve, light weight shirts). Outerwear including light jackets, rain boots and rain coats, etc. ALL shoes must be season appropriate and in **like-new** condition to sell (no snow boots). Dance/Gymnastics clothing and other sports shoes accepted. Spring/summer PJ's accepted. Children's clothing sizes 4 and under sell great in outfits (if they were purchased as an outfit.) Grouping together pajamas/onsies in sets of 2 or more sell better.

Toys for all ages (indoor/outdoor) Take a little extra time cleaning toys and ensuring that all pieces are included. Adding a couple of Barbie's to a Barbie carrying case, grouping similar items together in a set (cars, rescue heroes, dinosaurs, etc) rather than selling individually can be more appealing to shoppers. Include people/accessories with little people sets, furniture with doll houses, leap frog learning systems include a book and tape, etc if you have them. Be sure small parts are placed in ziplock bags sealed with packaging tape so they do not get separated from the toy. Test batteries.

Bikes, bike trailers, tricycles, wagons, ride-on's, outdoor games & toys, climbing equipment, kids picnic tables, sand/water tables, swimming aids, etc. All items **MUST BE ASSEMBLED** by the consignor and must be clean and working.

Children's Games and Books Includes board books, chapter books, parenting books, activity books, etc. Wooden puzzles wrapped to keep pieces together. No regular jigsaw puzzles accepted unless unopened/new). Children's movies VHS/DVD (must be in original case), computer software, video systems/games with no violence or vulgar language.

Books sell great in sets of two or more similar books. Place them back-to-back and double rubber-band them together. Staple tag on outside cover. Avoid using tape to attach tags to books- removing the tape always damages the cover. Consignors must ensure all games have no missing pieces. Do not tape your game shut because they will be checked at check in. Games with missing pieces will be sent home and consignor will be charged \$1.00 per item that has missing pieces so please check.

Baby Equipment Cribs*, changing tables, children's furniture. Strollers, jogging strollers, play gyms, pack 'n plays*, portable cribs*, Baby Bjorn's, Boppy's, Bumbo seats, high chairs, swings, bouncy seats, booster seats, activity gyms, baby slings, Bundle Me's. For safety reasons, **NO CAR SEATS or ANY CRIB w/ drop down sides are accepted.** EQUIPMENT MUST BE FULLY ASSEMBLED FOR THE SALE. Consignors must check for recalls on cribs, pack n plays, strollers and portable cribs. Seller is responsible for checking against recalled models and inspecting cribs, pack-n-plays and portable cribs for loose hardware to ensure child safety. A waiver must be signed at check in to verify consignor has checked for recalled baby equipment. For safety reasons, any piece of baby equipment that appears unstable, too old, is missing or has replaced parts or appears unsafe will not be accepted regardless of recalls. These items will not be taken for our charity organization so please help us keep kids safe and do not bring them to the sale
